

Doctor's personal seal

Currently the medical care profession and services are exceedingly full with time-consuming management duties.

As I am a member and in order to dedicate myself more to my vocational training, I have been assigned the complicated processes of invoicing and customer billing, along with work associated for the medical billing office of:

**Privatärztlichen VerrechnungsStelle Westfalen-Süd rkV  
Ärztliche Gemeinschaftseinrichtung  
Heinrich-Hertz-Str. 4  
59423 Unna**

For all invoices and billing the PVS requires the following information:

Name, Date of Birth, address, health insurance, the number of days of therapy, the rendered payments of the medical table of charges (Gebührenordnung für Ärzte - GOÄ) with the corresponding diagnosis.

All this information will be treated with the strictest confidentiality by the PVS, and all of the employees are sworn to secrecy by the professional discretion law according to § 203 StGB and according to the regulations of the "Data Protection Act".

I agree with the use and sharing of this data with the PVS and with the implementation by the PVS.
